PATENT AT ISSUE

<i>Patent no.</i>	<i>Proprietor/s</i>
EP4512389	FERRING B.V.

DECIDING JUDGE

Judge-rapporteur Van Peurseem

LANGUAGE OF PROCEEDINGS: English

POINTS AT ISSUE/GROUNDS

1. On 1 June 2026 defendants 1, 2, 3, 4, 5 and 7 filed requests for correction of service dates and alignment of defendants' deadlines pursuant to R.331.1 and R.334.a RoP – boiling down to i.a. a R.9 application to align the dates for the lodging of the Preliminary objection, if any, on 18 June 2026 and the Statement of Defence and any Counterclaim for revocation on 18 August 2026 for these defendants.
2. The Claimants agreed to this request on 5 June 2026, but also requested to set the same dates for defendant 6, notwithstanding that no representative for defendant 6 is yet known.
3. Although indeed no representative for defendant 6 is yet known, according to R.271.6.b RoP the effective service date for defendant 6 is 18 May 2026, since that is the tenth day following posting, which posting was subsequently delivered at defendant 6 on 11 May 2026, according to Proof of Service of defendant 6. However, this date is subject to the conditions set forth in R.271.6.b RoP (after “unless”). Since defendant 6 did not yet make an appearance in court in this case, it cannot have made any objections based on these conditions, so the judge-rapporteur will need to reserve the right to decide this as set out in the operational part of the order.
4. Therefore the requested alignment for all defendants, including defendant 6, can be the same as requested and agreed upon for defendants 1, 2, 3, 5 and 7, without prejudice to the deadlines that apply for defendant 6 as foreseen in the UPCA/RoP.
5. The judge-rapporteur confirms the new deadlines for all the defendants by order pursuant to R.9.3 RoP. It is not necessary to correct the service dates as requested by defendants 1, 2 and 7.

ORDER

1. The deadline for lodging a Preliminary objection according to R.19.1 RoP is **18 June 2026** for all defendants, subject to application of any of the conditions as mentioned in R.271.6.b RoP (after “unless”) regarding defendant 6;
2. The deadline for lodging the Statement of Defence according to R.23 RoP and the

Counterclaim for revocation according to R.25.1 RoP is **18 August 2026** for all defendants, subject to application of any of the conditions as mentioned in R. 271.6.b RoP (after “unless”) regarding defendant 6.
